9. Correspondence

Name	Correspondence
One Voice Wales	South West Wales Corporate Joint Committee - Consultation on the Strategic

Development Plan Draft Delivery Agreement

The first stage in the Strategic Development Plan process is for the CJC to prepare a Delivery Agreement for the SDP. This has two main parts to it: a Statement of Community Involvement which sets out how the plan will be produced and who will be involved and how; and a detailed timetable that sets out how long it will take to prepare the plan, following all of the stages set out in Welsh Government regulations and guidance.

Welsh Government has identified types of consultees in the Strategic Development Plan Regulations who the CJC should attempt to engage with, and you and/or your organisation is one of those consultees. I am therefore writing to ask that you consider engaging in the forthcoming SDP process starting with the Delivery Agreement, and secondly to ask you to provide the best point of contact within your organisation, if this email has not already reached that person. The CJC will then maintain a contacts database going forward to give you notice of key stages and next steps in the process.

The consultation period will run for 5 weeks, from 19th January 2026. The deadline for comments is 5pm, 20th February 2026.

Public Appointments

The Welsh Government is committed to improving the diversity of public appointments in Wales.

The Welsh Government Anti-racist Wales Action Plan and Diversity and Inclusion Strategy for Public Appointments sets out a vision and actions aimed at supporting delivery of this key Ministerial priority for Wales.

We are keen to work with our external partners to build a pipeline of individuals who are interested in applying for a board position.
