

LLANBOIDY COMMUNITY COUNCIL

I hereby summon you to attend an ordinary meeting of Llanboidy Community Council to be held in Llanboidy Market Hall on

Wednesday, 2nd of September at 19:30hrs.

To discuss the following business:

1. Apologies

2. To Confirm and Accept Minutes of the Ordinary Meeting held on 15th of July 2026.

3. Matters Arising

4. Declaration of Interest

5. County Council Update

6. Planning

7. Consultations.

Elevate Play: https://www.elevateplay.co.uk/contact-us/?utm_source=Email&utm_medium=Councils&utm_campaign=EP116 Considering a new playground, refurbishment or upgrade, September is an ideal time to start the planning process. Beginning discussions early gives you time to assess your existing site, explore the options available and agree budgets - with the potential to schedule installation for late autumn, the new year or in good time for spring 2027.	Assess your existing play area and available space Discuss your council's priorities, budget and timescales Explore equipment, inclusive play and surfacing options Develop initial ideas and designs Provide a clear, costed proposal for consideration

8. Correspondence.

DRAX – Energy	The Government has announced a temporary reduction in VAT on eligible electricity supplies. From 1 October 2026, we'll reduce the VAT rate on qualifying electricity charges from 5% to 0% for eligible customers. The scheme is currently expected to run until 31 March 2027, although the Government may extend or amend these arrangements.
William Hincks - Brity First Aid https://brity.co.uk/communities/llanboidy	We work in partnership with British Red Cross and St John Ambulance on first aid training and education. We have put together a free page for your area showing the defibrillators in and around Llanboidy, along with a printable poster for noticeboards, churches and community centres, and a short free online course covering the basics: spotting a cardiac arrest, CPR, and using a defibrillator. In research by St John Ambulance, 52% of people said they did not know where their nearest defibrillator was. When one is used within the first few minutes it makes an enormous difference to whether someone survives. We hope that by working with local communities we can improve that. Could you add a link to the page from your council website, ideally on your homepage or a community or emergency information page? It takes a couple of minutes and means residents can find their nearest defibrillator ahead of time when it matters. A post on your social pages would help too.

9. To receive Pay Increment Information for Clerks 2026 (SLCC/OVW).

10. Training.
